You are commenting using your Facebook account. I would like to hear what other people are experiencing with refilling the Lamictal brand through their insurance company. Leave a Reply Cancel reply Enter your comment here I have had a battle with insurance companies for years in fulfilling the brand name. Has anyone ordered the medication from another country? Are the generic formulas the same as the name-brand formulas? My advice is to go back home and retrieve the brand name. Sheri - June 10, I take generics lamictal included , but always wondered if they were equally effective. In the case of lamotrigine, each dose, by manufacturer, has been tested and approved by the FDA see [http: Is it any wonder that our health care costs are out of control? But are they safe? Notify me of new comments via email. When Teva began making the mg pills in July , it became practical to take two of them to equal my mg dose.
