We suggest users of these operating systems choose Chrome or Firefox. All litters over one year old can not be registered through the litter application. If you have any feedback on how we can make our new website better please do contact us. Same applies if the owner of the litter is different then the owner of the Dam. In order to view and use our website, you must enable TLS 1. Select Settings from the menu. Android users with a browser version earlier than 5 will need to download Chrome instead of the native browser. Check Use TLS 1. Check Enable TLS 1. Scroll down and select "Show advanced settings. When you register your litter, please make sure you include every puppy in the entire litter when completing the litter application. Download Litter Application Form: Google Chrome Open the browser. IE 8 does offer TLS 1. Choose the Advanced tab and scroll to the Security section. Press enter to open a popup for the integer value. Opera Open the browser. If any puppy in that specific litter is not registered through the litter application, they can not be registered.
