I'm in Canada & will be doing my first iui in July. Any other I'll be taking femara & gonadotropin & wondering how much per cycle you paid for the meds. @Twinkle I am in Canada the cost of my iui was \$ for two sessions get the third on the house lol. first time did not work I was extremely sad. n. I read that femara (aka letrozole) is more expensive than clomid, but I can't find any sites that tell me how much it costs. I DO have insurance, but fertility stuff isn't covered and I was paying \$5 for each 50mg pill for clomid. I was up to 4 pills a day for the 5 days at the end, so it got kinda pricy. Can anyone who's taken femara. I'll be starting Clomid cycle #3, or taking a break and then starting it, but I was also interested in Femara, since the side effects are killing me. But before I even ask him, how much does it cost? And I mean retail, no insurance cost per cycle. My insurance won't cover ANY infertility. Clomid has been \$9/cycle. Buy Femara online for ovulation induction with free shipping options. Femara is an aromatase inhibitor Buy Femara Medication Drug mg for Fertility Treatment & Ovulation Induction - Low Cost Some women do not respond to Clomid, and some do ovulate while using Clomid but do not become pregnant. Still others.
