It is common for hospital pharmacies to provide only brand name medications but at external pharmacies you can get a cheaper generic alternative. These are generally found in areas that are rougher and should be avoided if you are genuinely looking for medication, as there is rarely a qualified pharmacist there and you would not be able to get medical advice. We want to be the global leader in delivering world-class health solutions, making quality health care more accessible and empowering people to live healthier lives. Send me notifications related to: Duricef Cefadroxil mg Code: Subscribe to receive email notifications whenever new articles are published. Amoxicillin In some countries, this medicine may only be approved for veterinary use. Generally you may only deal with sales people. Generic Amoxil acts by killing sensitive bacteria. BP Amoxicillin sodium PH: It should not be construed to indicate that the use of any medication in any country is safe, appropriate or effective for you. In the towns and cities they are situated every few streets and are usually independent stores rather than chains, although the larger cities do have some pharmacy chains. HTML is not translated! Ilosone Erythromycin mg Code:Can i purchase antibiotics without a prescription if i run out. Whatever you want, Amoxicillin, Norfloxacin, Erythromycin, Augmentin etc. Any pharmacies will If you know what you are doing there is no use in going to a doctor because 90% of all doctors here are just as easy in giving antibiotics as anyone else in Thailand. Hi I'm wondering if you can buy antibiotics over the counter at pharmacies in Bangkok or do you need to get a prescription from a medical doctor?Thanks for your Buying medicine in Thailand. Nov 12, - At the request of The Straits Times, she fishes out a selection of the antibiotics on sale, ranging from generic blue-green capsules of amoxicillin to brand-name ones like Pfizer's Zithromax. Some Thais buy the medicine because the wait to see a doctor is too long, she says. Others bring empty boxes of drugs. Sep 1, - I recently had a 4 week holiday in Thailand and forgot all my medication. I was able to buy over the counter, no questions asked, bisoprolol fumarate, tamsulosin hydrochloride, ramipril, a statin and unahistoriafantastica.com single one of these being prescription only in UK. Of course amoxicillin is sold otc like. In Thailand it is not always necessary to have a prescription and there is a wide variety of medications which are only available on prescription in the UK and the US which you can simply purchase over the counter there. You may find that there is not always a qualified pharmacist on the premises, although it is a legal. Feb 15, - Tired of expensive meds? We provide you the information you need for Buying Cheap Meds in Thailand. They are way cheaper, and we tell you where to get them. Mar 24, - In Thailand, buying medicine is also cheap (often less than 15% of what you pay in the US) and, even if they don't have the brand you need, there are Thai brands you can buy that do the same thing. If you're in Thailand or planning on coming soon, it would benefit you to stock up on any medications you. Order genuine Amoxicillin online for cheap price - Visa*Mastercard*Amex accepted.
