It is effective against Streptococci , Pneumococci, Enterococci, Haemophilus influenzae, Escherichia coli, Proteus mirabilis, Neisseria meningitidis, Neisseria gonorrhoeae, Shigella, Chlamydia trachomatis, Salmonell, Borrelia burgdorferi and Helicobactor pylori. This site complies with the HONcode standard for trustworthy health information: Powdered Amoxicillin can be mixed with saline solution or sterile water to be used in a syringe, but because of the slow delivery time that is needed to inject the solution 34 minutes for solution containing 1g of amoxicillin powder this method is seldom used. In the USA when amoxicillin is needed intravenously, it is usually accomplished by adding amoxicillin powder to bags of Saline Solution. Intravenous form is not sold in USA [citation needed]. Mayo Clinic Marketplace Check out these best-sellers and special offers on books and newsletters from Mayo Clinic. Amoxicillin is used in the treatment of a number of infections, including acute otitis media , streptococcal pharyngitis , pneumonia , skin infections , urinary tract infections , Salmonella infections, Lyme disease , and chlamydia infections. Amoxicillin in combination with gentamicin is recommended for the treatment of infants with signs of other severe infections when hospitalization is not an option. Advertising revenue supports our not-for-profit mission. Archived PDF from the original on November 3, However, more mild allergy symptoms, such as a rash, can occur at any time during treatment, even up to a week after treatment has ceased. Amoxicillin , also spelled amoxycillin , is an antibiotic useful for the treatment of a number of bacterial infections. For some people allergic to amoxicillin, the side effects can be fatal due to anaphylaxis. Thomas Beecham Silas M. The rash is described as maculopapular or morbilliform measles-like ; therefore, in medical literature, it is called "amoxicillin-induced morbilliform rash". Archived from the original on 29 May It will cross the placenta and is excreted into breastmilk in small quantities. Trial ED Set Extreme.
