So researched a bit and found that, a drug made in India has exactly the same active ingredient as Lialda. I am originally from India which prompted to look there. Symptoms improved slightly, but I was still in bad shape. Drinking a ton of water; no longer drink anything with caffeine. Rachelle November 5, at I was diagnosed with UC in March I love to read and play music guitar and piano. So a course of Prednisone was added. After taking the Prednisone, my flare was gone in two weeks. Currently using Canasa suppositories. My GI has approved it as well. Your cart is empty Return Policy.
