Sign up for hot offers and HUGE savings! Prescriptions must be written on an Authority Prescription Form, and the approval number must be noted on the prescription. When taken with a meal, Xenical interferes with the activity of these enzymes. When a prescription is dispensed as a private prescription you do not receive any safety net contribution toward your PBS safety net. They are broken down by enzymes called lipases. If you are not sure if you should be taking Xenical, talk to your doctor. Therefore the only time we can supply an increased quantity of a prescribed medicine is if the doctor prescribes that quantity for you. In the event that you do not do this, the product will be deleted from your order and the balance of your order will be dispatched.
